I am a dedicated and enthusiastic student with a keen interest in technology, programming, and software development. I enjoy developing practical solutions, learning new concepts, and improving my technical skills through hands-on projects. I am a quick learner with a positive attitude and strong problem-solving abilities. I am eager to gain professional experience, explore emerging technologies, and continuously develop my knowledge to build a successful career in the IT field.

EXPERIENCE

Fiber Technician Baglung, Galkot

Galkot Electronics and Internet Apr, 2024 - Oct, 2024

Installation, maintenance, and troubleshooting of fiber internet connections; assisting clients with network-related issues.

EDUCATION

Bachelor in Computer Application Kathmandu

Shahid Smarak College Dec, 2024 - Present

I am currently pursuing my studies in computer science and technology, where I am building a strong foundation in programming, web development, database management, and software development. I enjoy working on practical projects because they give me an opportunity to apply what I learn and improve my problem-solving skills. I am also interested in exploring new technologies and gaining practical experience that will help me grow both personally and professionally.

PROJECTS

Vehicle Rental Management System

Developed a web-based Vehicle Rental Management System to manage vehicle information, customer details, rental bookings, and vehicle availability. The system allows users to add, update, delete, and search vehicle records and helps manage the rental process efficiently. It was developed using HTML, CSS, JavaScript, PHP, and MySQL.

TRAINING/CERTIFICATIONS

Basic Computer Training 2022

Galkot Computer Institution

The Basic Computer Training provided fundamental knowledge and practical skills in computer operation and file management. It covered essential applications such as Microsoft Word, Excel, and PowerPoint, along with internet browsing, email communication, typing, document formatting, and basic computer troubleshooting. The training helped develop confidence in using computers for academic, personal, and professional purposes.

SKILLS

Comunnication, HTML , CSS , Bootstrap , Java Script, PHP Laravel
